Hi Madi,

Yes, you have the correct meeting location for 8 am tomorrow. Tony Palmieri will be your AECOM contact for tomorrow as I am off boat this week. Tony's cell # (b) (6) .

Reminder - even if not raining, rain pants are required on deck if you want to enter the exclusion zone. We have an extra life jacket set aside for you, it will be in the min van in the morning.

Thanks

Nicky

Good Morning,

I plan to conduct surface sediment sampling oversight tomorrow on board the Tieton. I'll come prepared with everything you list below and arrive at the Swan Island Boat Ramp (at the location on the map below, right?) before 8 am in time to attend the tailgate meeting.

Is there anything else I should know/coordinate with you?

After about 4:30 today I'll be available only by cell phone: (b) (6) .

Thank you,

Madi

Hi Madi,

My apologies, I just saw this email a minute ago. Today was a field rest day for me.

Tomorrow, 4/19/18, the team is meeting at the Swan Island Boat Ramp at 8 am for the tailgate meeting and to board the vessels.

Please bring drinking water, lunch, and your PPE: hard hat, safety glasses, rain gear, steel toe rubber boots. We have an extra lift jacket.

Call or text my cell phone (1-503-969-6310) anytime after 6 am in the morning, if have any questions.

Thanks

Nicky

Hi Madi,
I will have Nicky Moody call. She will be Field Supervisor tomorrow.

Thanks!

Good Morning Jennifer,

Davis Zhen at EPA asked me to coordinate with you in order to board a vessel tomorrow to observe the surface sediment sampling. Please let me know how to proceed. If it's easiest to talk on the phone I'm generally available between 10 and noon.

Thank you,

Madi
